

36" BOLLARD COVER

36" x 30"

The diagram shows a template for a 36-inch bollard cover. It is a vertical rectangle with a width of 36 inches and a height of 30 inches. The template is divided into three vertical sections by two vertical green lines. The leftmost section is the widest, followed by a narrower middle section, and a narrow rightmost section. The left edge of the template has three pairs of semi-circular tabs extending outwards. The right edge has three rectangular tabs extending inwards. Three annotations with arrows point to specific features: a pink arrow points to the left edge, a blue arrow points to the left edge, and a green arrow points to the first vertical green line.

Finished Size

Finished product will be cut here.

Bleed Area

Make sure your background art extends to this line.

Score Lines
