

48" BOLLARD COVER

48" x 30"

The diagram shows a vertical rectangular template for a 48-inch bollard cover. The template is divided into three vertical sections by two green lines. The left edge has a complex, rounded shape with several protrusions and indentations. The right edge is a simple vertical line. Three annotations with arrows point to specific features: a pink arrow points to the left edge, a blue arrow points to the left edge, and a green arrow points to the first green vertical line.

Finished Size

Finished product will be cut here.

Bleed Area

Make sure your background art extends to this line.

Score Lines

This is where your product will be scored to make final shape.
